Join us in developing software that enables millions of people to do shopping

GEBIT Solutions has been an independent and successful partner to leading retail companies for over 30 years when it comes to developing efficient IT systems. We combine professional expertise with first-class technical competence.

As a (Senior) Java Developer (f/m/d) in Lisbon...

-

LOOK FORWARD TO ...

- a permanent position with 27 days' holiday
- Hybrid work opportunities and flexible working hours
- Agile working in small teams at eye level

- individual training opportunities via the GEBIT Academy, Communities of Practice, conferences and external offers
- Two days a month for further training (GEBIT Fridays) and the realisation of your own projects as well as freedom for your ideas
- Company & team events, e.g. lunch together twice a month and our multi-day summer conference incl. family
- Snacks, drinks and lots of feel-good in the office
- Here you can find out more about what makes us special as a company

WHAT YOU BRING WITH YOU...

- Profound knowledge of modern Java technologies (SE/EE) as well as structured software analysis & design (e.g. with UML)
- Experience with web and mobile technologies (e.g. REST, gRPC, Dart/Flutter) and automated tests with JUnit 5 and Mockito
- Desire for collaboration according to agile methods (Scrum)
